1:30 – 2:15 Pitching and Catching

Process - See attached map for reference.

1. All Players Check in at table located near the roll-up door in parent waiting area.
2. When announced players will line up for Fielding. Players will need to have their glove and facemask with them.
3. One player at time will field 3-5 ground balls and throw them into the target net.
4. Player will exit and return to the waiting area and prep for hitting please no swinging bats outside the batting cage.
5. One at a time, player will swing at five pitches from a volunteer.
6. Once hitting is complete player will exit to parent waiting area.
7. Players wanting to be a Pitcher/Catcher must stay for Pitching/Catching Evaluations All other players may leave after their hitting evaluation.

REMEMBER - WE'RE HERE FOR FUN. Some of our 8U and 10U players won't be able to throw a ball into the practice nets. A lot of players will be lucky to hit 2 or 3 of the pitches. A lot of the kids will be nervous and that's okay. :-)

1 Loaner gloves, bats, facemasks, and batting helmets will be available.

2 Volunteer has discretion to throw up to 2 additional pitches for bad balls.

3 If your daughter is unable to attend the Evaluation Day and not drafted, they will be placed on a team at the WSGS Commissioner's discretion.
