

# WSGS Player Evaluation Schedule

## Saturday February 4th, 2023

Alyce Norman Softball Fields (Anna St. & Todhunter Ave.)

### Evaluation Activities

#### Check-In and Self-Led Warm-up

**Players will-** check in at the snack bar and receive their number. After checking in, players and their parents are free to use Field #4 (Outfield Only) for stretching, warming up, playing catch, etc. However, for everyone's safety, no batting will be allowed at this time. Coaches may roam Field #4 to watch warm-ups and evaluate players' catching abilities.

#### Fielding and Hitting Evaluations @ Field 2&3

**Players will need a glove, bat, and batting helmet. Loaner gloves, bats, and batting helmets will be available.**

1. **When announced, players will line up at the 3rd base dugout of Field #2 with their gloves.**
2. **When called, each player will take two grounders at 3rd base and throw to 1st. Then shift to 2nd base, take two grounders, and throw to 1st.**
3. **Player will exit Field #2 through the 1st base dugout. Each player will exchange their glove for their bat and batting helmet with their parent. Player will then line up at the 3rd base dugout of Field #3 to wait for the hitting and running evaluation.**
4. **One at a time, each player will swing at five soft-toss pitches from a volunteer. After swinging on the fifth pitch, the player will drop the bat and run to 1st base. The volunteer has discretion to throw up to 2 additional pitches for bad pitches.**
5. **Player will retrieve bat and exit Field #3 through the 1st base dugout.**

#### Pitching & Catching Evaluation @ Field 1

**Players who want to be a pitcher or catcher must stay for the pitching/catching evaluation on Field #1. All other players may leave after their hitting evaluation.**

**REMEMBER - WE'RE HERE FOR FUN.** It's OK if a player can't throw the ball the entire distance from one base to another or hit all soft-toss pitches. They'll have a chance to build these skills during the season. Plus, a lot of the kids will be nervous and that's okay. :-)

**Coaches- Player Draft Schedule @ Covered Benches Near Playground-**The player draft will happen right after your division's pitching/catching evaluation is complete.
