

# 2023 General All-Star Information

## All-Star Selection & Eligibility

Our responsibility is to ensure that each league is following the USA Softball rules for All-Star eligibility and forming teams according to your league by-laws. Please make sure to review your league's written policies for All-Star team selection and follow that process. Each year we field complaints about leagues straying from their written policies so let's head that off this year. And please remember that you can not form teams before the last Saturday in April (29th). Please review the All-Star Team Eligibility Sheet attached to this email to ensure all players are eligible.

## League Intentions

In an effort to plan out the All-Star season, please return the All-Star Intentions Sheet attached to this email by **May 5<sup>th</sup>**. We understand that things may change as you start selecting teams, but this will give us a good idea.

## Classification

All teams will be classified B for Stars of Cordova and Piece of the Rock tournaments. We will use the results of these tournaments to classify 10U and 12U teams into B or C for the Association Tournament.

## Team Eligibility Form

All teams entering the All-Star season must attest that their individual players and team have and will continue to follow the basic eligibility guidelines set forth by USA Softball. This form is due at the mandatory coaches meeting on **May 21<sup>st</sup>**.

## Rosters

The league registrars for each league are responsible for the creation of All-Star rosters in [www.registerUSAsoftball.com](http://www.registerUSAsoftball.com). Step-by-step instructions will be sent directly to the league registrar. Rosters are due in the system by **May 12<sup>th</sup>** so they can be approved in the system and then distributed back to coaches with time to collect parent signatures prior to the **May 21<sup>st</sup>** meeting.

You are NOT permitted to play in any other affiliation (USSSA, AST, PGF Legacy, etc) or the team will be reclassified as a travel team (Class A).

## Signing Up For Tournaments

All tournament sign-ups will happen through Tourney Machine, which is a new system to our organization. Go to [www.tournamentUSAsoftball.com](http://www.tournamentUSAsoftball.com) and select "CA-Sacramento" from the dropdown. The local tournaments will be listed (the list also includes Class A and Adult tournaments). Please see the Tourney Machine Registration instructions attached to this email. It is crucial that sign-ups happen by the TEAM representative and not the league president on behalf of all teams. Any tournament communication will go ONLY to the person signing up the team.
